BELGIUM TRAVEL WITH CHILDREN

JORDAN FAMILY ADVENTURE SERIES

REAL
KIDS-
REAL
ADVENTURE
!!!

For kids who want REAL action adventure; this is as real as it gets.

How would you like to climb inside an atom that's 200 million times life size? Or sample Belgian chocolates, the best in the world? Or visit dungeons and see grim tools of torture? Or climb 366 steps to the top of the belfry-while the bells are playing?

Come along with Kevin & Daphne and visit one of Europe's smallest, but most delightful countries. Tour medieval back streets and canals. Visit the home of *Tin Tin*, castles, windmills and more.

You could rent a car and drive through Belgium in a day, but then you'd miss the sleeping beauty of Europe (Bruges), an incredible collection of medieval knight armor, the Grand'Place and much more. You could spend a week soaking up the atmosphere of Bruges alone.

A great book of adventure for the whole family, one you'll be able to read over and over again. A great travel reference.
