

**REAL  
KIDS-  
REAL  
ADVENTURE  
!!!**

For kids who want REAL action adventure, this is as real as it gets. It's a REAL *Indiana Jones* adventure for kids of all ages.

Did you know The Great Pyramid is 481 feet tall? Or that the 3 pyramids at Giza are actually 9? Or, that you can ride the Nile on boats that have been around since Egypt began? Inside, learn all this and more.

*In this day of video games, and couch-kids, it's refreshing to find kids out in the real world, living life large, making lives that could inspire a video game.*

*This book isn't for the timid. You'll find out gross stuff you'll never hear about in school, like how they made a mummy. Yuk!*

*A great book of adventure for the whole family, one you'll be able to read over and over again. A great travel reference for all ages.*

Inside: Maps, photos, travel tips, and more.
