

REAL  
KIDS-  
REAL  
ADVENTURE  
!!!

For kids who want REAL action adventure; this is as real as it gets.

Would you like to visit King Arthur's Forest? Or explore mysterious Celtic alignments built before

the pyramids? How would you like to enter a double-walled fortress and be locked in by night? Or climb the Alps? Or visit some of the world's most impressive Roman ruins?

Meet two kids who have done just that. Come along and join Kevin & Daphne as they go on adventure and explore the wonders of France.

*I knew that France had the Eiffel Tower and Notre Dame, but Celtic ruins, Roman coliseums, fairy-tale castles, the Alps, and gorgeous rocky coasts. That's everything you go to Europe to see--all in one place!*

*A great book of adventure for the whole family, one you'll be able to read over and over again. A great travel reference.*
