REAL  
KIDS-  
REAL  
ADVENTURE  
!!!

For kids who want REAL action adventure; this is as real as it gets. It's a REAL *Indiana Jones* adventure for kids of all ages.

Did you know that the Dead Sea is so thick you can almost crawl on it? Would you like to see where Indiana Jones found the Holy Grail? Or climb to a crusader castle? Or sleep in a Bedouin tent village on the coast of the Red Sea?

Inside, you'll hear from two kids who have done all this and more.

*Crusader castles, coral reefs, Bedouin villages, Roman ruins, Holy Land trails. I never knew Jordan was so rich in great sights to see.*

*This book is so filled with fun facts, figures, cool adventures, I couldn't put it down. I felt like I was there, discovering Jordan with the Jordans.*

*A great book of adventure for the whole family, one you'll be able to read over and over again. A great travel reference.*
