

REAL
KIDS-
REAL
ADVENTURE
!!!

This is for kids who want REAL action adventure. It's a real *Indiana Jones* adventure for kids of all ages.

Did you know that *StarWars* was filmed in Tunisia? Would you like to visit the home of Anniken and Luke Skywalker? Or, explore a 1500-year old underground city? Or, go on a camel trek into the Sahara?

Now's your chance. Go on an adventure with Kevin & Daphne and visit places you thought only existed in Hollywood movies.

I never knew StarWars was filmed in Tunisia. Imagine being able to stay in Luke Skywalkers house? That's some cool adventure, and some cool kids.

Carthage, Coliseums, underground cities, Berber villages: I had no idea all these places existed all in one place--Tunisia.

A great book of adventure for the whole family, one you'll be able to read over and over again. A great travel reference.
