ADVENTURE
!!!

For kids who want REAL action adventure; this is as real as it gets.

The Yucatán is action-packed with great family adventure opportunities you can do, like...

- ▶ Snorkel along palm-lined, white-sand Caribbean beaches teeming with countless colorful fish
- ▶ Visit the pirate-thwarting fortress of Campeche
- ▶ Climb the Toltec time-temples of Chitzen-Itza
- ▶ Jump from the *Cliffs of Courage* at a Mexican action-adventure amusement park
- ▶ Go crocodile-hunting at night, by boat, up the River of Lizards and see flamingos by day
- ▶ Visit an island with turtle farms and places where you can swim and pet “tame” sharks
- ▶ Follow the Ruta Maya and see more Mayan ruins than you ever thought existed
- ▶ Snorkel or dive the world’s most extensive network of fresh water caves
- ▶ See turtles, rays, and fish in crystal clear Caribbean water or take a trip into the jungle

I never knew there was so much to do in a place so close to home. I can't wait to climb my first pyramid. It sounds like Disneyland for adventure travellers.
